

We're Hooked on Hellebores!

We're excited about these new, versatile and festive Gold Collection Hellebores 'Jacob'!

Awesome attributes:

- Dramatic, long lasting flowers
- Bloom inside for festive holiday decorating
- Bloom outside Dec.- Feb., even in the SNOW for reliable, cold season color
- Can be planted outside for a deer resistant groundcover in summer and fall

Popular Uses:

- Christmas gifts
- Outdoor/Indoor container plants
- Adds interest to winter shade garden by flowering for 2 to 4 months
- Easy-to-care for summer groundcover
